RE: VOICEMAIL FROM BECKI KAMMERLING

Hi Michael. This is Becki Kammerling. I'm calling in response to your letter that you submitted to me on behalf of your client, Adam Rakunas.

While I disagree with everything you state in your letter, I am aware and I believe that I became aware after the letter was sent out that your client wasn't at the meeting, so, you know, I think the best way to handle this rather than, you know, all of the statements you make in your letter, is really more to pinpoint how he has not violated any of those.

It is my understanding he's a big part of the Wilmont rebels and he's active in that organization. If you can demonstrate that he's not, I am happy to bring that to the board and they will make a decision on that before July 27th when his termination is to take effect.

If you want to get back to me with more facts rather than statements, that might help a little bit. I'm not really sure what you're referring to as far as defamatory libelous statements to your client. I believe I've only submitted a letter to him, and you know, I've certainly responded to comments he's made in the press recently. However, I don't see how any of that is actionable, simply responding to facts.

So, if you want to give me a call, I should be available until about 7:00 p.m. this evening. It's 310-883-7923.

Thank you so much. Bye
